Note: [i] ^ Because of collection difficulties these figures exclude the employees of small agricultural units and small businesses in rural areas.

[ii] + The figures for the most recent quarters are provisional and are amended as necessary in the following quarter.

[iii] - Data not available

[iv] Data for formal employment in the agriculture sector used to include persons only employed in the LSCF farms. For consistency and comparability purposes the data now includes employees and earnings for A1, A2 farms as these previously constituted the LSCF.
